Thank you

to those who contributed to the successful “Fostering Healing, Building Hope” event at the Butte Des Morts Country Club in October. It was a wonderful program of sharing, developing support and awareness of the Center’s program.

“Greetings” from Loris Damerow, Director CGC

“Hello” to volunteers, facilitators, BGC staff, and participating families who make the Center for Grieving Children such a wonderful place. I am new to the Fox Valley, having worked with grieving families in the Beloit, Wisconsin/Rockford, Illinois area. My husband, Arno, works at Lawrence University and our children, Marin and Carl, are now grown up and living on their own. I love to garden and walk in nature. Since coming to

Appleton, I’ve had a big surprise! When my horse arrived here from our farm in the state-line area she delivered a filly on April Fools Day. No one even knew she was expecting!

I am eager to meet everyone and continue the wonderful work here at the Center for Grieving Children.
