Camp Lloyd is a big success for 6 CGC kids!

Six kids from the Center for Grieving Children attended Camp Lloyd, a week-long day camp for kids who have experienced a loss. Held at the University of Wisconsin Green Bay, interactive groups are interspersed with fun and summer recreation. Dominic Tesh, one of our participants was interviewed for the Green Bay Gazette and reported on the best parts of the week which were, for him, making friends and going swimming.Think about it for next year.

We have more healing shawls to handout at the July program night!
