Therapy Dogs Rule at CGC

Here are some pictures of our therapy dogs who join us at the beginning of every program night. They arrive each month with their wonderful volunteers. Which one is your favorite? Is it Brie, the sweet golden with her owner, Laurie? Or do you cater to good old Amos, the black lab, and his man Tom. Maybe it is the gentle giant Bocephus, the 250 lb. English mastiff, and his handler, Andi. Or how about little Body, who will sit on your lap as sweet as can be? Here he is with his owner, Katie Six, who also serves on the CGC Advisory Council.

Thank-you to our wonderful canine companions!

Write a poem. It's simple. It doesn't have to rhyme. Just start with: "I remember....."
